

NetIQ eDirAPI 1.7 Patch 1 Release Notes

September 2023

NetIQ eDirAPI 1.7.1 resolves several previous issues. Many of these improvements were made in direct response to suggestions from our customers. We thank you for your time and valuable input. We hope you continue to help us ensure our products meet all your needs. You can post feedback in the eDirectory Community Support Forums, our community Web site that also includes product notifications, blog, and product user groups.

For a full list of all issues resolved in NetIQ eDirectory 9.x, including all patches and service packs, refer to [TID 7016794](https://support.microfocus.com/kb/doc.php?id=7016794), “History of Issues Resolved in NetIQ eDirectory 9.x” (<https://support.microfocus.com/kb/doc.php?id=7016794>).

For more information about this release and for the latest release notes, see the [Documentation](https://www.microfocus.com/en-us/products) Web site. To download this product, see the [Product Upgrade](https://www.microfocus.com/en-us/products) (<https://www.microfocus.com/en-us/products>) Web site.

What’s Changed?

eDirAPI 1.7.1 provides the following changes in this release:

Create a User Certificate with the Same Name that was Deleted Previously

Creating a User Certificate with the same name that was deleted previously is possible now.

External Applications

The External Application is a new feature that helps the Administrators or Role Associated members to launch an externally configured application (that is configured with OSP). The functionalities can be accessed by the users directly from the home page of the Identity Console.

System Requirements

For information about prerequisites, hardware requirements, and supported operating systems, see the [NetIQ eDirectory Installation Guide \(https://www.netiq.com/documentation/edirectory-92/edir_install/\)](https://www.netiq.com/documentation/edirectory-92/edir_install/).

Installing or Upgrading

To upgrade to eDirAPI 1.7.1, see [Upgrading REST Services for eDirectory in the NetIQ eDirectory Administration Guide \(https://www.netiq.com/documentation/edirectory-92/edir_install/\)](https://www.netiq.com/documentation/edirectory-92/edir_install/).

Additional Documentation

- ♦ [“Identity Console” on page 2](#)

Identity Console

For Identity Console information, refer to the Identity Console online documentation [Identity Console online documentation \(https://www.netiq.com/documentation/identity-console/\)](https://www.netiq.com/documentation/identity-console/).

Legal Notices

For information about legal notices, trademarks, disclaimers, warranties, export and other use restrictions, U.S. Government rights, patent policy, and FIPS compliance, see <https://www.netiq.com/company/legal/> (<https://www.netiq.com/company/legal/>).
