

NetIQ Workflow Automation

10.1.1 Release Notes

April 2022

NetIQ Workflow Automation 10.1.1 improves usability and resolves several previous issues.

Many of these improvements were made in direct response to suggestions from our customers. We thank you for your time and valuable input. We hope you continue to help us ensure that our products meet all your needs. You can post feedback in the [Aegis forum](#) on Micro Focus Community, our online community that also includes product information, blogs, and links to helpful resources.

The documentation for this product is available on the NetIQ website in HTML and PDF formats on a page that does not require you to log in. If you have suggestions for documentation improvements, click **comment on this topic** at the bottom of any page in the HTML version of the documentation posted at the [NetIQ Directory and Resource Administrator Documentation](#) page. To download this product and patches, see the [Micro Focus Downloads](#) website.
